Dear Parents and Carers

Year 3 Iron Age Workshop – Friday 10th January 2025

As a part of our learning in History this term, we are pleased to inform you that your child will be involved in a themed day that explores the life of an Iron Age warrior. The day will include drama workshops (led by an experienced and knowledgeable Iron Age re-enactor), exploration of weapons and shields, clothes and encampments, in addition to many more fun history related activities.

All the activities will take place on **Friday 10th January 2025**. The workshop will start at the usual time, however so that the children fully benefit from this experience, the workshop will **end at 3.30pm**. In order to make the event possible, we request a voluntary contribution of **£6.90 per child** as your donation will contribute towards the cost of the specialists who will be running and supporting the activities.

Please return your contribution to the school office by **Wednesday 18th December**. The school is dependent on these contributions, so unfortunately, if insufficient contributions are received, it will not be viable for the event to go ahead. If you are paying online, the permission slip does not need to be returned as you have already given permission via Scopay.

To make the day even more realistic and enjoyable we ask that your child attends dressed as an Iron Age Warrior or in an Iron Age style costume. In order to do this, your child might like to research the types of materials that were available for clothes during the Iron Age and use this as the basis for their costume.

We look forward to what will, no doubt, be an enjoyable day for all!

Yours sincerely

Mrs Hutchins
Year 3 Leader
