Ringwood Junior School Charging and Remissions Policy

Statement of Intent

The Governing Body of Ringwood Junior School is committed to equality for everyone across all aspects of school life. We aim to ensure that equality is incorporated into existing and future policies to eliminate unlawful discrimination, harassment and victimisation and to advance equality of opportunity between different groups with particular emphasis towards the “protected characteristics” now enshrined in the Equality Act 2010.

The School Access Action Plan has been incorporated into the Single Equality Policy to incorporate those duties provided in the Disability Discrimination Act 2005, as amended by the SEN and Disability Act 2014 (SENDA). We aim to reduce and eliminate barriers to access to the curriculum and to full participation in the school community for pupils, and prospective pupils, with a disability.

Where specific duties come into force under the Equality Act 2010, these will be incorporated into the individual policies by the Governing Body’s sub-committees to ensure a cohesive framework for the benefit of our school, its staff and visitors to the school. Where appropriate, the committees will have responsibility for publishing equality information and objectives.

Introduction

The Governors recognise the valuable contribution a wide range of additional activities including clubs, trips and residential experiences can make towards pupils personal and social education and therefore seeks to promote such activities within the bounds of this policy.

As a Community School the Governors support the development of community groups use of school facilities through a flexible charging scheme reviewed annually by the Governing Body Finance Committee.

The Governing Body are responsible for determining the content of the policy and the Headteacher is responsible for its implementation. Any determinations with respect to individual parents will be considered jointly by the Headteacher and Governing Body.

Aim of the Policy

At Ringwood Junior School, we encourage the development of a wide range of enriching activities and uses of our facilities. The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Principles of Charging

The Governors make no charge for National Curriculum and related activities carried out in school time

The Governors may ask for voluntary contributions for activities wholly or partly in school time which otherwise would be prohibited by cost. No child is excluded from any such activity on the basis of non-contribution.

Support is available towards part or all the cost of activity where there are financial difficulties or the family is in receipt of entitlement to free school meals.

The Governors may charge for an activity where it increases or enriches non-statutory extra curricular provision at any time

The Governors support the development of all community groups use of school facilities through a flexible charging approach. The charges are in line with County guidelines and are intended to cover the additional cost to the school of caretaking/cleaning and other overheads brought about by this use. The scale of charges is reviewed annually by the Governors Finance Committee and forms a separate document to this policy approved by the whole Governing Body.

Responsibilities

The Governing Body Finance Committee will review annually the scale of charges for community use, music tuition and other charges to ensure **parity** with county guidelines and to ensure a reasonable balance between income and expenditure from such activities.

The Headteacher will be responsible for the implementation of this policy and ensuring office staff manage the lettings accordingly.

The Headteacher and School Business Manager will be responsible for drafting proposals for charges and providing reports to the Finance Committee.

The Site Manager will be responsible for managing the school during all lettings.

All users will abide by the terms and conditions of the letting procedure.

Activities Attracting Charges

Residential and Day Study Visits

A charge not exceeding the total cost will be made for specialist tuition and residency fees.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge; in addition the following will be made clear to parents:

- a) the contribution is genuinely voluntary and a parent is under no obligation to pay;
- b) registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request;

If the total sum collected does not amount to 80% of the total cost of the activity then the school reserves the right to cancel the activity and reimburse accordingly.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

Off-site Extracurricular Activities

A voluntary contribution of an amount not exceeding the actual cost of the activity will be requested

On-site Activities

Music Instrumental Teaching

Class based specialist teaching will be provided free of charge. The cost of instrumental lessons to individuals or small groups will be met through a combination of subsidy from the school's budget and charges to parents subject to funds being available as determined by the Governors Finance Committee. Charges are set on an annual basis and paid termly in advance. Parents will be expected to hire or buy their child's own instrument; some instruments may be available for loan from Hampshire Music Service.

Extracurricular Clubs

A charge may be levied for participation in extracurricular activities to meet the costs of materials, visits and staffing as needed.

Letting of Premises

The annual charges are set on the basis of the county suggested rates and may include a partial subsidy from the school's community budget. The conditions of hiring and booking are laid down in the contract.

Charges for Services

Details of charges for photocopier, telephone and fax facilities are available from the school office. Subsidised rates are set for community users and non-subsidised rates for non-community users.

Arrangements for Part or Full Remissions of Charges

The Governors may provide financial support from the school budget or external grants for those families unable to meet the full cost of voluntary contributions or charges on application to the headteacher. The Finance Committee will be informed in general terms of the total provided for each activity.

The Governing Body supports the development of all community groups use of the school through a flexible charging approach. This may include offering reduced rates for up to one month in order to assist a new group and would be negotiated with the Headteacher.

Use of School Facilities by the Local Community

Rationale

We are committed to working with local community to maximise the use of our school facilities. We aim to support improvement in social and educational opportunities for as many people as possible. In an attempt to support 'anytime anywhere learning' we offer our school classrooms, sports facilities, hall and general facilities to be used out of school hours providing the use does not impinge in any way upon the quality and access to resources and facilities for our pupils. We aim to support Ringwood as a Learning Community.

In this policy we aim to clarify:-

1. *Application for booking, insurance and the conditions for hire.*
2. *Charges for lettings.*
3. *Administrative records and internal procedures.*

Application for Booking, Insurance and Conditions of Hire

The Application Process

Organisations seeking to hire the school premises should approach the Headteacher (or other designated member of staff), who will identify their requirements and clarify the facilities available. A hiring application form [appendix A] should be completed at this stage.

Once a hiring has been approved, a letter of confirmation should be sent to the hirer, setting out full details of the hiring and enclosing a copy of the terms and conditions of the hire agreement (see further guidance on hire agreement below). The person/organisation applying to hire the premises will be invoiced for the cost of the hire in accordance with the Governing Body's/School current scale of charges. (Schools may wish to seek payment in advance in order to reduce any possible bad debts).

Income and expenditure associated with school premises hiring should be regularly monitored to ensure that at least a "break even" situation is being achieved. For long term hiring application forms should also be reconsidered on an annual basis.

Hire Agreement Template

The hiring template along with the hiring application form should be used for all hire arrangement for school premises. The hiring agreement template contains highlighted clauses and special conditions which would need to be amended and adapted for each hiring according to its specific requirements.

Schools should seek legal advice when amending the hiring agreement to ensure that it adequately reflects the requirements for each school premises hire.

Insurance Guidance – Hire of HCC premises

Hirers of Hampshire County Council premises would ideally provide copies of their own Public Liability Insurance up to £10million. However, Hampshire County Council

does recognise that that some individuals will not have or be able to acquire Public Liability Insurance for the period of the facility hire/loan and therefore the County Council, as agent for the hirer, has effected an extension of the current Insurance Policy to cover the liability for non-commercial hirers only. The Policy is in the name of 'Hirers of County Council Premises'. 'Premises' include buildings, grounds and building contents.

When Hampshire County Council facilities are hired or loaned to an external organisation or individual it is therefore important to ascertain if they are a "commercial" or "non-commercial" hirer. This may seem complicated as we class "commercial" hirers to include not-for profit organisations and charities. Please find examples of each below which should help you to clarify the hire type.

Commercial hirers include:

- *Businesses, including small businesses and independent/self employed traders*
 - *Including Dodgeball clubs, Dance instructors/classes, Slimming World etc., Exercise classes*
- *Charities and Clubs*
 - *i.e. Save the Children, Royal British Legion, Darby and Joan*
- *Not-for-profit organisations*
 - *Including Guides, Scouts, Brownies, Rainbows, PTA, "Friends of" societies, Women's Institutes, Parish Councils.*

A useful 'rule of thumb' to ascertain if the hirer is considered commercial is whether the activity organiser is charging a fee/subscription for the activity. If they are they are classed as a commercial hirer.

All the above would hold their own Public Liability Insurance and the period of their hire/activity in the School premises would be run under their Insurance. You will need to ensure that they complete the Hirers Agreement as this lays out the Terms and Conditions of hire and range of facilities they are allowed to access. You will also need to ask for a copy of their Public Liability insurance to ensure it meets the minimum you require (this is determined by completing a Risk Assessment for the hire and activity the company/individual is undertaking). Hampshire County Council would usually request that they hold a minimum £10 million Public Liability insurance limit for high risk activities and a minimum of £5 million Public Liability cover for low risk activities; however your Head Teacher / Department Manager has the authority to reduce the minimum requested if the activity is deemed to be very low risk. The Insurance Team cannot give further advice regarding Risk Assessments and the level of Indemnity required for specific activities, for further guidance in relation to Contract Risk Assessments and Health & Safety please contact the Childrens Services Health & Safety Team: cshst@hants.gov.uk

Non-Commercial hirers would include:

- *Private individuals*
 - *Including parents of pupils hiring the hall for a private birthday party*

-
- *Private groups*
 - *Including non-organised groups such as groups undertaking non-club/group affiliated 5-a-side football match*

All of the above would not be expected to hold commercial Public Liability Insurance and can be insured under the extension of Hampshire County Council's Public Liability Insurance. This is activated by their signing the Hire Agreement and the insurance cover is in place for the duration of the hire, under the provision of the lettings regulations and whilst they are the hirer of the premises. Again they must sign the Hire Agreement and receive a copy of the Hire Terms and Conditions. It might be worth highlighting to the event organiser that this cover does not include Personal Accident (cover for participants in the activity if they are injured as a result of a pure accident and there is no negligence on the part of the hirer or the School). If they feel that cover is required for these elements they will need to arrange separate commercial insurance.

For further guidance in relation to the Hire Agreement forms please contact the School Legal Support Team: SchoolLegalSupport@hants.gov.uk

For further guidance in relation to the insurance for periods of hire please contact the Insurance Team: insurance.queries@hants.gov.uk

Charges for Lettings

- *Charges for letting school premises are set out in Appendix D.*
- *The school Governors review charges annually.*
- *Some community activities attract a subsidy from Hampshire County Council and these charges are identified on the schedule.*
- *Non-subsidised activities must cover **all** costs incurred – Caretaking time for opening and closing the premises, heating, lighting and general maintenance.*

Administrative Records and Internal Procedures

- *A schedule of hires will be completed and held at school as a record of all school use for non-school activities. Full details of the part of the premises used, the duration of the hire, the charges to be made will be included.*
- *Where activities take place outside the normal hours of the Caretaking staff, they may be invited to work overtime.*
- *Invoices will be raised on a termly basis for regular users.*
- *Single lettings will need to be paid for before the letting takes place.*
- *Invoices will show clearly the date of hire, facility used, the duration of the hire and the appropriate rate per hour including VAT where appropriate.*
- *All monies will be promptly banked and entered into the budget in accordance with HC financial procedures.*
