September 2025

Dear Parents and Carers

Year 4 Blashford Lakes Trip 18th & 19th September 2025

As a part of our geography project about rivers, we have arranged an exciting visit to Blashford Lakes Study Centre on **18th and 19th September**. Due to adult/child ratios, we are unable to change your child's day. Classes will be attending as follows:

Thursday 18th September – 4KM & ½ of 4MB

Friday 19th September – 4HW & ½ of 4MB

Children will have the opportunity to take measurements in the river, participate in kick sampling and explore aquatic life. They will also see a waterworks in order to help them explore where water comes from and ways they can save water.

Children will come to school at normal time and we will travel by coach to Blashford Lakes. The day has been designed to be held almost entirely outdoors, whatever the weather, so it is essential that appropriate clothing is worn. Children will need to wear their school uniform top and jumper, but can wear sensible trousers. A warm coat and wellies or sensible shoes are essential as it is likely the floor will be muddy whilst children explore the nearby streams. Children will need to bring a packed lunch and a water bottle.

If there are any medical conditions we need to know about, please complete the form attached.

We are requesting a voluntary contribution of **£12.10 per child**. Please return payment and the attached slip to the school office by **Friday 12th September**. **If paying online, the permission slip will still need to be completed and returned to the school office.** The school is dependent on these voluntary contributions, so unfortunately, if insufficient contributions are received, it will not be viable for the trip to go ahead.

We will need some adult help on this trip and would be most grateful for any volunteers. If you are able to help and hold a current DBS disclosure, please indicate on the attached slip.

Yours sincerely

S.A. Evans
