Dear Parents and Carers

Voluntary Parental Helpers

Welcome back to school after the summer break. Many of you have already offered your help, and we have always encouraged parents who are able to spare a few hours of their time, to come into school to help with various activities. These can vary from listening to children reading, helping with craft or art topics, walking children to swimming, and sometimes helping on an external school trip.

We are also aware that many of you have specific skills and talents that you may be willing to share with our children. Perhaps you could coach some children in a specific sport or prior to a specific sports competition, demonstrate artistic or craft-based skills, run a club or talk to a group of children about your experiences or areas of interest.

We would also welcome offers of help with after school clubs, displaying children's work, serving refreshments etc. Throughout the term we will require help transporting children to and from sports competitions.

Over the next few weeks, year leaders will be meeting with class teachers to allocate parent helpers to support the learning of children across the year group. Mrs Marriott, Mrs Thornton will be co-ordinating this work, to ensure that we maximise any help offered. We cannot always guarantee that you will be helping in your own child's class, as this would depend on the activity taking place and we are keen that a wider group benefit from this opportunity.

All voluntary helpers, by law, have to complete a DBS check. Details of this will be provided by the office staff.

If you are interested, please complete the attached slip and return it to the school office. There will be an introductory meeting for all parent helpers on **Monday 29th September at 2.30pm** in school. Please indicate on the slip if you are able to attend.

If you would like further information, please feel free to come into the school office and we will answer any queries you may have.

Yours sincerely

Sally-Ann Evans
