Dear Parents/Carers,

We would like to remind you about a fantastic reading tool 'Sora' which is an online library that we have access to thanks to Hampshire School Library Service.

Sora gives children access to a wide selection of e-books and audiobooks, making it easier to find something that suits their interest. Children can browse and borrow books themselves, anytime and anywhere (on device or browser), it can help foster a love of reading outside the classroom.

To access Sora:

Open Google Classroom and sign in with your school Google account.

Click the Sora link (this can be found by clicking the Google Launch Pad icon / nine dots).

When you click it, you'll be redirected to the Sora login page. Log in with your school Google account.

Also attached are the instructions on how to access Sora at home with the option of downloading the Sora app.

To celebrate the children who regularly use Sora we shall be sharing some of the children's choices in class and through assemblies.

Yours sincerely,

K Cummin A Marriott
