Dear Parents and Carers

Year 5 Travelling Planetarium – Tuesday 13th January 2026

We are delighted to let you know that we have arranged for a ‘Travelling Planetarium’ to visit our school on **Tuesday 13th January 2026**. Each class in Year 5 will have the opportunity to spend time inside the dome together with the ‘Travelling Scientists’. This experience will further consolidate the science project we have been focusing on since November which has been ‘Earth and Space’.

In order to cover the cost of having such worthwhile and awe-inspiring visitors to the school, we request a voluntary contribution of **£6.25** per child. Please return the attached reply slip to your child’s class teacher by **Thursday 8th January 2026**. If possible, please make payment online using your Scopay account.

The school is dependent on these contributions, so unfortunately, if insufficient contributions are received, it will not be viable for the event to go ahead.

Thank you for your support.

Yours sincerely

J Anthony
