Dear Parents and Carers

Year 4 Cranborne Ancient Technology Centre Tuesday 23rd and Wednesday 24th June 2026

As part of our History project about Vikings and Anglo-Saxons, Year 4 have organised a day trip to the Cranborne Ancient Technology Centre. Whilst we are at the centre, children will undertake different activities, which will help them to understand what life was like during Britain's history. Our activities for the day will be: blacksmithing, willow weaving, farming, construction and fire making. The Ancient Technology Centre provide tutors, who are experts in the various time periods, to lead activities.

The classes will go on the following days:

Tuesday 23rd June – 4MB and half of 4HW

Wednesday 24th June – 4KM and half of 4HW

Children will need to wear long sleeve trousers, a long sleeved top and sturdy shoes (trainers or walking boots). **Long sleeved clothing is essential for the children's safety.** All activities are outside so please ensure that your child has layers to keep warm. Children will need to bring a packed lunch and a water bottle. If there are any additional medical conditions, that we are not already aware of, please complete the permission form attached.

We need some parent helpers on this trip and would be most grateful for any volunteers. If you are able to help on the day of your child's class and hold a current DBS disclosure, please indicate on the attached permission slip. Class teachers will then contact you if we need your support.

We are requesting a voluntary contribution of **£30.00 per child**. This cost covers the activities at the centre and return coach journey. Please arrange to pay your contribution online using your Scopay account and return the completed permission slip to the school office. If for any reason you are unable to pay online, please return the attached permission slip and contribution to the school office by **Friday 5th June 2026**. The school is dependent on these voluntary contributions, so unfortunately, if insufficient contributions are received, it will not be viable for the trip to go ahead.

Yours sincerely

S.A. Evans
