

May 2026

Dear Parents and Carers

### Year 3 Trip to Hengistbury Head – Tuesday 9th June 2026

As part of the year 3 study on the Coast we shall be taking part in a coastal walk at Hengistbury Head. We will look at how the different coastal features visible from this part of the coastline and consider the adverse effects of erosion. Children will consider the human impact on the coast and will examine how solutions have been put in place to protect the environment and prevent erosion

Classes will be attending as follows:

**Morning session - 3GH & half of 3SB**

**Afternoon session - 3JA/GC & half of 3SB**

Children will come to school at the normal time and we will travel by coach to Hengistbury Head. **For those children attending the afternoon session, we shall be returning to school at approximately 3:45pm.** We will keep parents updated of any changes to the return time. If the trip arrives back earlier than expected, the children will be kept in school until an adult arrives to collect them.

The children should wear sensible outdoor/waterproof clothing depending on the weather (no jeans please) with their school jumper or cardigan. Appropriate footwear will be necessary for the trip; we suggest old shoes or trainers. I shall confirm further details about the trip as the clothing and kit needed for the day is likely to be dependent upon the weather nearer the time.

Lunch will be provided at school as usual for both groups.

We request a voluntary contribution of **£4.65 per child**. Please return the attached slip to the school office by **Tuesday 2<sup>nd</sup> June**. If paying online, the permission slip does not need to be returned as you are giving permission when paying. The school is dependent on these voluntary contributions, so unfortunately, if insufficient contributions are received, it will not be viable for the trip to go ahead.

Yours sincerely

G Hutchins
